# Nursing Degrees

## Explore the benefits of a degree from our College of Nursing

Enhance your skills with a Nursing degree. Earn your RN to BSN in about 14 months when you transfer in your ADN, or get your MSN in as little as 18 months.

You're ready to make moves in your nursing career. Earn an advanced nursing degree and take the next steps toward your future in healthcare. You can take one course at a time in your degree program, whether you choose to earn your bachelor's or master's nursing degree online or on campus. Feel confident with programs accredited by the Commission on Collegiate Nursing Education (CCNE), (<http://www.ccneaccreditation.org>).

With relevant, up-to-date curriculum, you'll walk away with skills you can apply directly to your career.

# About University of Phoenix

In a rapidly changing world, career mobility isn't optional – it's essential. For more than 40 years, University of Phoenix has helped working adults grow personally and professionally with flexible schedules, relevant coursework and interactive learning. We serve a diverse student population, offering associate, bachelor's, master's and doctoral program online and in select locations. **For more information, visit [www.phoenix.edu](http://www.phoenix.edu).**

## Prior Learning Assessment

If you're an undergraduate student or thinking of becoming one, you might be closer to a degree than you think.

Knowledge you've gained outside the classroom from professional, training or life experiences could translate to college credit through our Prior Learning Assessment (PLA). We don't want you to take classes you don't need – and we're pretty sure you don't either.

Learn more visit [www.phoenix.edu/admissions/prior\\_learning\\_assessment.html](http://www.phoenix.edu/admissions/prior_learning_assessment.html)

Keep the same tuition until you graduate from your degree program, even if it takes longer than you planned. That's our promise. No matter what surprises life brings, you can count on us.
